Our Group

In January 2020, we announced our transformational 'Re-organisation Plan' to split the company into three distinct and coherent operating groups that are Purpose-led and future-ready in order to maximise long-term value on a sustained basis.

Olam Agri

Olam Agri's Purpose is to 'Transform food, feed & fibre for a more sustainable future'. A differentiated and market leading agri-business with a global origination footprint and processing capabilities, focused on high-growth end consumption markets.

ofi make it real

ofi's Purpose is to 'Be the Change for Good Food and a Healthy Future'. It partners with customers to co-create solutions that anticipate and meet changing consumer preferences as demand increases for healthier food that's traceable and sustainable.

Olam

Remaining Olam Group is responsible for incubating new sustainability and digital platforms for growth; providing IT, digital and shared services; holding and developing our continuing and gestating businesses and responsible for the divestment of our non-core assets to partially or fully monetise these.

nupo VENTURES

Nupo Ventures is unleashing the potential of next-generation businesses to positively impact people and our planet.

Our ventures include: Terrascope; Jiva; Re-; and Adva.

MINDSPRINT

Mindsprint offers digital solutions to empower businesses to meet today's needs and anticipate tomorrow's challenges.

Our services include: digital transformation; enterprise transformation; business process services; and cybersecurity and privacy services.

Olam

Olam Global Holdco leverages food, agriculture and emerging market expertise to develop businesses along the value chain.

Our businesses include: Olam Palm Gabon; Olam Rubber Gabon; Caraway; and Rusmolco, Arise P&L.
