Singapore, May 11, 2005 – Olam International Limited (“Olam”), a leading global, integrated supply chain manager of agricultural products and food ingredients today announced a set of sterling results for its third quarter ended March 31, 2005 (3Q

FY2005). Both its revenue of S\$1.1 billion and net profit of S\$25.5 million are the highest quarterly performance achieved in Olam's history.

"We are pleased with our strong performance in the third quarter FY 2005 and for the 9 months ended March 31, 2005. It was a broad based performance with all four of our business segments generating both solid top line (revenue and underlying volumes) and bottom line results. Our year-to-date results were above expectations and reflects our unique competitive position, excellent geographic and product balance, our end-to-end supply chain capability and our proven capacity to reliably execute on our organic growth initiatives. Given our performance for the first 9 months, we are optimistic for the prospects for the full year." said Mr. Sunny Verghese, Group Managing Director & CEO.

Consolidated Results

The Company announced yet another set of strong results for the third quarter ended 31st March 2005. Revenue for the Group increased by 56.7% to S\$1.10 billion for Q3 FY2005 compared to S\$0.70 billion in Q3 FY2004. Increases in Revenue were registered across all four business segments. 81% of the increase in revenue for 3Q FY2005 was contributed by increase in sales volumes and the balance 19% of the revenue increase was contributed by an increase in the sales prices for the various products across the 4 business segments. For 9M FY2005 revenue grew by 46% to S\$2.56 billion as compared to S\$1.75 billion for 9M FY2004.

Underlying volumes grew by 44.3% to 0.80 million metric tons for Q3 FY2005 compared to 0.55 million metric tons in Q3 FY2004. For the 9 months (9M FY2005) sales volumes grew by 29.1% to 1.98 million metric tons compared to 1.54 million metric tons for 9M FY2004. There was strong volume growth across all 4 product segments.

Net Contribution grew by 46.4% to S\$57.2 million in Q3 FY2005 compared to S\$39.1 million in Q3 FY2004. For the 9 months ended 31st March 2005, Net Contribution increased by 38.2% to S\$129.3 million as compared to S\$93.6 million in 9M FY2004. Again, all 4 product segments recorded increases in Net Contribution.

Net Profit After Tax grew by 23.2% to S\$25.5 million for Q3 FY2005 as against S\$20.7 million for Q3 FY2004. For the 9 months ended 31st March 2005, Net Profit After Tax grew by 36.4% to S\$48.13 million as compared to S\$35.29 million for 9M FY2004. Net Profit After Tax for 9M FY2005 at S\$48.13 million is a little more than the Net Profit After Tax for the full year of FY2004.

After a successful IPO in February 2005, the Company's Equity & Reserves grew by 143% to S\$461.38 million compared to S\$189.86 million as at 30th June 2004.

The Board and Management of Olam remains committed to creating shareholder value by developing sustainable earnings growth. The Group has a successful track record of setting and achieving challenging financial goals and the 9M FY2005 financial performance is a continuation of this track record.
