KEWALRAM'S PLACEMENT OF OLAM SHARES TO INCREASE TRADING LIQUIDITY

Singapore, 27 April 2007 – Kewalram Singapore Limited (“Kewalram”), has announced that it has successfully completed the placement of 100 million ordinary shares of Olam International Limited (“Olam” or the “Company”).

With this placement by Kewalram, the free float of Olam will increase from 39.4% to 45.8%.

Sunny Verghese, Group Managing Director & CEO of Olam, said: “We believe Kewalram, as the Company’s founding shareholder, will continue to remain a long-term and committed strategic shareholder in Olam. This placement will benefit all shareholders as the increased free float will enhance trading liquidity and attract stronger interest from both institutional and retail investors. The Company does not have any plans to raise equity in the immediate future.”
