Singapore, July 11, 2007 – Olam International Limited (“Olam”), a leading global integrated supply chain manager of agricultural products and food ingredients, has been named one of Singapore’s top 10 globalised companies by International Enterprise (“IE”) Singapore in its third annual ***Singapore International 100 Ranking 2007***.

Olam was also recognised as one of the top 10 companies in five of the markets listed in the Ranking, including pole position for Africa, second in India and amongst the top 10 in Europe, the Americas and the Middle East.

The companies in the Singapore International 100 Ranking 2007 are selected and ranked based on their audited sales revenue from overseas markets for the financial year ended December 31, 2006. During this period, Olam’s overseas revenue grew 68.9 per cent from S\$2.51 billion to S\$4.24 billion.

Said Mr Sunny Verghese, Group Managing Director and CEO of Olam: “Over the last 17 years, we have developed a clear, proven, scaleable and replicable growth model and pursued this strategy to evolve and grow from a one-product, one-country business to now a global company operating in 14 products across 52 countries. We are very pleased that Olam’s global expansion has been recognised in this Singapore International 100 Ranking.

“Our next phase of growth will be accelerated by our expansion into new territories through acquisitions, such as Oceania. We are now developing an M&A capability that will enable us to build global leadership position across most of our businesses.”
