

NZ Farming Systems Uruguay – Bondholders’ Meeting

NZ Farming Systems Uruguay (**NZS**) refers to its announcement made on 24 February 2011 concerning the despatch of NZS’ business plan to all holders of US\$30 million of bonds on issue in Uruguay and to the Fiduciary by 18 February 2011.

The business plan has now been provided to all bondholders and the Fiduciary and a waiver of the inadvertent timing breach has been requested. A meeting of bondholders to consider this request is expected to be held on or around 24 March 2011.
