- 1(d)(iv) A statement showing all sales, transfers, disposal, cancellation and/or use of treasury shares as at the end of the current financial period reported on.

N. A.

2. Whether the figures have been audited or reviewed and in accordance with which auditing standard or practice.

The financial statements presented above have not been audited or reviewed.

3. Where the figures have been audited or reviewed, the auditors' report (including any qualifications or emphasis of a matter).

N. A.

4. Whether the same accounting policies and methods of computation as in the issuer's most recently audited annual financial statements have been applied.

The adoption of the new and revised accounting standards that became applicable from 1 July 2012 did not result in substantial changes to the Group accounting policies, which are consistent with those used in the audited financial statements as at 30 June 2013.

5. If there are any changes in the accounting policies and methods of computation, including any required by an accounting standard, what has changed, as well as the reasons for, and the effect of, the changes.

The Group has applied the same accounting policies and methods of computation in the preparation of the financial statements for the current reporting period compared with the audited financial statements as at 30 June 2013 except for the adoption of new or revised FRS that are mandatory for financial years beginning on or after 1 July 2013. The adoption of these FRS has no significant impact to the Group.
