ANNOUNCEMENT
CHANGES TO SUBSIDIARIES

Olam International Limited (the **Company** or **Olam**) wishes to announce the following changes to its subsidiaries:

Acceptance of Option to Purchase

Queensland Cotton Corporation Pty Ltd (**QCC**), an indirect wholly-owned subsidiary of the Company, has disposed of its entire 51% shareholding in Collymogle Ginning Pty Ltd (**CGPL**), a company incorporated in Australia, to PJ & PM Harris Pty Ltd (**Harris**) following an exercise of option, for a total cash consideration of A\$4.08 million. QCC had in 2014 sold down its shareholding in CGPL from 100% to 51% to Harris. Following the disposal, CGPL ceased to be an indirect subsidiary of Olam.

The above transaction is not expected to have any material impact on the earnings per share or net tangible assets per share of the Company for the financial year ending 31 December 2019.

Disposal of Indirect Subsidiary

Olam Argentina S.A., a wholly-owned subsidiary of the Company, has disposed its entire equity interest in its wholly-owned subsidiary, Olam Alimentos S.A. (**OAL**), a company incorporated in Argentina with principal activity in peanut shelling and blanching, to Adecoagro. The cash consideration received from the sale of shares was US\$10 million. Following the disposal, OAL ceased to be an indirect subsidiary of Olam.

The divestment is in line with the strategic plan announced in January 2019 to strengthen, streamline and focus the portfolio, by divesting select businesses and redeploying capital into proven businesses which have performed consistently and have market leading positions, such as the peanut shelling, blanching and ingredients business in the US.

The above transaction is not expected to have any material impact on the earnings per share or net tangible assets per share of the Company for the financial year ending 31 December 2019.
